Download this printable BINGO style game to help children review and talk about the Fruit of the Spirit. We would love to hear your feedback and creative ideas, simply leave a [comment](#) below.

God wants to produce the Fruit of the Spirit in children’s lives. This game helps them become familiar with the qualities that are listed in Galatians 5:22-23. It would be suitable for any lesson about the [Fruit of the Spirit](#).

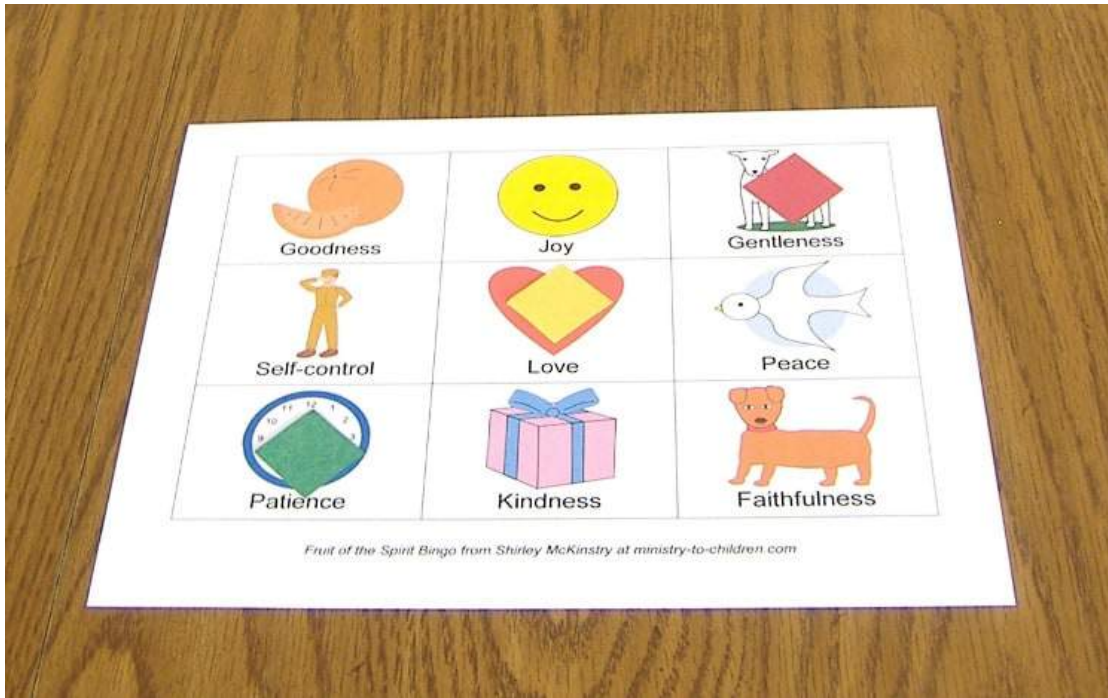

1. Print the [bingo cards](#) and the [bingo calling cards](#) on card stock or heavy paper, and cut apart the calling cards (20 bingo cards and 9 calling cards are attached).
2. Cut colored paper or cardboard into 1-inch squares to make markers (or choose to use other markers).
3. Give each player a bingo card and a handful of markers. (Picture 1)
4. The leader draws a calling card, reads the title, and holds the card up for everyone to see. (Picture 2)
5. Each player with a square matching the calling card places a marker on that square.
6. The first person to get three markers in a row horizontally, vertically, or diagonally wins the game. (Picture 3)
7. Dump the markers and start over. Players can trade cards if they wish.
8. Prizes are not necessary; kids love learning and playing games just for the fun of it.

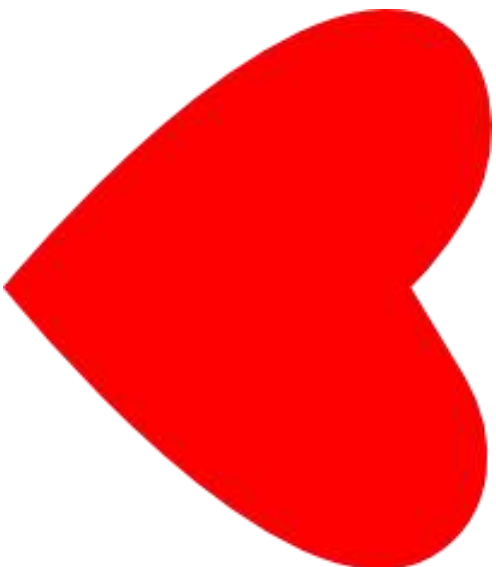

Give each player a bingo card and a handful of markers.

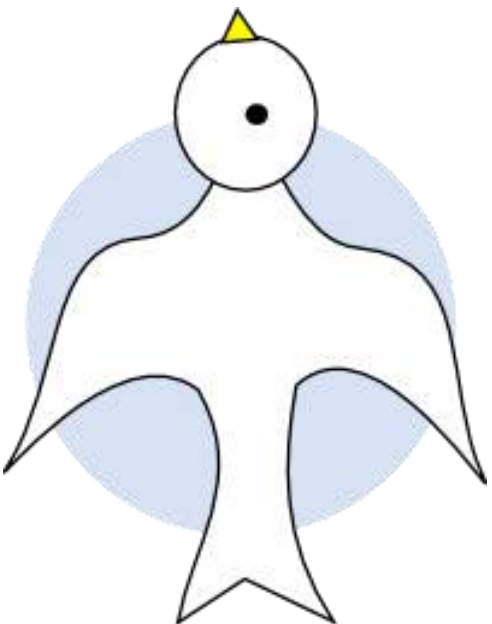

The leader draws a calling card, reads the title, and holds the card up for everyone to see.

The first person to get three markers in a row horizontally, vertically, or diagonally wins the game.
