
Crafts: Three in One

Bible Craft Ideas on The Trinity from John 16:12-15.

God is Father, Son, and Holy Spirit

The Trinity is a challenging concept for children (or even adults!) to understand, but is an important thing to communicate. God is Father, Son, and Holy Spirit, inseparable and yet distinct in person and purpose. There is an element of this truth that we may never fully comprehend, and simply take on faith. There are some ideas that we can use, though, to help illustrate the Trinity and hopefully explain it to some extent. These two crafts aim to share and celebrate God's three-in-one nature. A "Triangle Trinity Model" provides a decorative description of the Trinity. The "I Need S'More Jesus" magnet is a fun and seasonal way to recall that the Trinity has three components in one person.

Bible Verses or Craft Captions to Consider... (John 16:12-15; Psalm 8)

When I consider your heavens,

the work of your fingers,

the moon and the stars,

which you have set in place,

4 what is mankind that you are mindful of them,

human beings that you care for them? -Psalm 8:3-4

But when he, the Spirit of truth, comes, he will guide you into all the truth. He will not speak on his own; he will speak only what he hears, and he will tell you what is yet to come. -John 16:13

I need "s'more" Jesus! He is three in one...just like a s'mores!

God the Father...Jesus the Son...Holy Spirit—three in one! God is triune.
